

## Program Report

**Name of the Program Conducted:** Financial Planning & Insurance

**Relevant Occasion:** As per Yearly Plan of Programme

**Date:** 27<sup>th</sup> August 2022. **Venue:** Dadasaheb Balpande College of Pharmacy, Besa, Nagpur

**Relevance to POs:** II, III, V, VIII, IX, X

### Objectives:

1. The foremost and most important objective of financial planning is to keep in check that funds are available in cases of emergency or whenever it is required for use.
2. A financial plan should be able to utilize idle money and assets so that they can prove to be fruitful in the future. It does not involve funds kept aside for unforeseen circumstances but the assets that could be otherwise utilized.

**Beneficiary:** Faculties, Supporting staff & Students.

**Program organizing committee:** DBCOP & Guest Mr. Ashish Mahajan, Financial Advisor, Mudra Financial, Nagpur & Mr. Mukund Pathare, Branch Head, Paramount Health Services & Insurance, Mr. Shubhranshu Mishra, Regional Manager, NJ India Pvt. Ltd. Nagpur

**Expected outcome:** Most people assume that they would have to sacrifice their standard of living if their monthly bills and EMI repayments are to be addressed. On the contrary, with a good financial plan, you would not need to compromise your lifestyle. It is possible to achieve your goals while living in relative comfort. The rise in the price of everyday items means that if you want to maintain or increase your current standard of living in the future, you need to create a sufficient corpus of wealth. You may also want to purchase a better car or a new house in the future. All this requires money, and it merely highlights the importance of wealth creation. It is possible to achieve these goals by carefully investing your money in the right avenues.
