Objectives

1. To make students aware about how to find idea and do the market search for start up
2. To understand formalizing a business structure, legal compliances and challenges
3. To provide information about protection of intellectual property and effective contract management in start-up

Beneficiary: Students

Program organizing committee: IIC, Dadasaheb Balpande College of Pharmacy Besa Nagpur.

Expected outcome: Start-up is a need of today's developing world. Government is focusing on start-up and helping in getting necessary facilities and infrastructure for the start-up. Through this program the students get information about how to search ideas and convert it in to start-up. How to protect the ideas and improve the business by legal compliances and IPR.

Report: A Workshop on **How To Plan for Start-up and Legal & Ethical Steps** was conducted on 15th April 2023 for aspiring student entrepreneurs at Dadasaheb Balpande College of Pharmacy Besa Nagpur. The resource person for the talk was Dr. Mangesh D. Godbole, Associate Professor DBCOP. During his presentation, he discussed the ways through which ideas for the start-up can be generated and bring to existence. He focused on how IPR helps to protect the ideas and run the business smoothly. He made aware the students about various laws and Govt. initiatives for sustaining the start-up. He spoke about
