Program/Celebration Report

Name of the program Conducted: National Science day

Speaker: Mr. Bhujang Bobde, Director, Knowledge Research Centre, Nagpur.

Date: 28/02/2023

Venue: DBCOP Seminar Hall

Relevance to POs: I, II, III, IV, V, IX, X, XI.

Objective:

1. To explore the ideas of students for poster and model.
2. To showcase their innovative research.

Beneficiary: Students

Program Organizing committee: IIC

Program Outcome: The National Science Day is celebrated every year to mark the discovery of the Raman effect by Indian physicist Sir C. V. Raman. The students are motivated for taking efforts to preserve Indian culture and utilize the ancient knowledge for newer discovery. They understood the importance of Science and Technology and how they helped India widen its footprint at the global level.
