Program / Celebration Report

Name of the Program Conducted: Women's Day 2023

Relevant Occasion: On 8 March 2023, the Women's Development Cell of Dadasaheb Balpande College of Pharmacy (DBCOP) organized a program to celebrate International Women's Day. The event was held in the college premises and was attended by women from nearby villages. The program started with a session by Dr. Sharmishtha Gupta, who spoke about psychological awareness regarding menstruation. Her talk aimed to raise awareness about the physical and emotional changes that women undergo during menstruation and promote healthy and positive attitudes toward this natural process.

The program was inaugurated by the lighting of the lamp, which was done by the hands of the ladies' housekeeping staff. This gesture was a symbol of appreciation and recognition for the hard work and contributions made by women in different fields.

The theme of the program was "pink," which represented girl power. The event was organized entirely by the boys of DBCOP, who aimed to show their support for women's empowerment and gender equality.

During the program, students performed various cultural programs like singing and dancing, which showcased the talents of the students and added to the festive atmosphere. There was also a demonstration of self-defense techniques, where the student's showed tips and tricks to the women to defend themselves in different situations.

Overall, the Women's Day celebration at DBCOP was a successful event that brought together women from different backgrounds to celebrate their achievements and contributions to society. The event highlighted the importance of women's empowerment and provided an opportunity for the students to showcase their support for gender equality.
