Subject: - Completion certificate of consultancy project

Dear Madam,

With reference to our earlier communication regarding the consultancy project entitled, "**Formulation Development of Levothyroxin sodium 50 mcg**". We had requested vide our letter dated 29th November 2018. for the development of the said product.

Our request was accepted by you and accordingly we had received proposal of Rs. 2,00,000/- from you vide letter no. DBCOP/4189/2018.

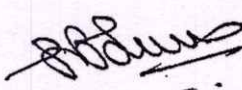

We have received your project report on 23rd Feb, 2019 and we did run pilot batches 5th March 2019 successfully. After that we have made payment of Rs. 80,000/- on 7th March 2019.

Now, we tried exhibit batches and got satisfactory results and declared that the project has been successfully completed. We are depositing remaining 1,00,000/- (after deducting TDS of Rs.20,000/-) in your account as a balance amount of consultancy charges. We are very much thankful to your organization in helping us timely for successful development of said product.

Looking forward to receive more help for some other underdeveloped products.

Thanking You.
